## Subject: Advisory to SETNET Partners

National Institute of Solar Energy (NISE) is in the process of establishing a Solar Energy Training Network (SETNET) of institutions across India to build skills and capacities to ensure the availability of qualified solar energy professionals to meet the national requirements.

Currently NISE is trying to review SETNET program, (viz. Aryabhata, Konark, Bhaskar and Suryan) and its curriculum through Sector Council for Green Jobs (SCGJ) and Ministry of New and Renewable Energy (MNRE). The SETNET program courses are put on hold till a formal guidelines for curriculum and assessment are formed & approved. Till such time all concerned organizations are advised not to use NISE logo or NISE name in any of the programs conducted by them. NISE will not be responsible for any such courses if organized without prior consent.
