

NATIONAL INSTITUTE OF SOLAR ENERGY
(An autonomous Institute of Ministry of New & Renewable Energy)
GURGAON

Inviting Bids for disposal of testing samples of fans, batteries, charge controllers, PV modules, home lighting system and street lights, etc.

Bids are invited from interested firms dealing in scrape and hazardous materials having requisite certificates for handling of old batteries, for disposal of unclaimed samples received for testing for fans, batteries, charge controllers, PV modules, lanterns at various laboratories in National Institute of Solar Energy on as is where is basis. The list of items can be downloaded from website: www.nise.res. Interested parties may visit the Institute during office hours from 11.00 A.M. to 4.00 P.M. on any working day. Bids may be submitted quoting rates for different categories of items. Sealed envelopes must be submitted by 1.00 P.M. on 2nd March, 2016. at Reception of old building addressed to National Institute of Solar Energy, Faridabad-Gurgaon Road, Gwal Pahari, Gurgaon 122003. The bids will be opened on the same day at 3.00 P.M.

NATIONAL INSTITUTE OF SOLAR ENERGY
(An autonomous Institute of Ministry of New & Renewable Energy)
GURGAON

Disposal of unclaimed testing samples received at Customer Service Cell, National Institute of Solar Energy (NISE), Gurgaon

Test Samples are accepted by NISE with the condition that these shall be collected by the respective parties within two months after completion of testing process. The user organizations/companies/manufacturers may note that the unclaimed test samples shall henceforth be disposed of by auction after the expiry of the prescribed period without further notice.

Dr. O S Sastry
Director-General
