NOTICE INVITING TENDER

SUBJECT: Repair and annual maintenance contract of Environmental Test Chamber.

We are having one Environmental Test Chamber (TH-65C manufactured by M/s Blue star India) at NISE, Gwalpahari, Gurgaon, meant for conducting damp heat, thermal cycling and humidity freeze test on PV modules as per IEC 61215/61646. The chamber model TH-65C is manufactured by M/s Blue star India and is not functioning properly.

For conducting the tests, the chamber is required to run round the clock for 30 days at a stretch in the temperature range of -20°C to +85°C and Relative humidity ranging up to 98%.

Sealed quotations are invited from experienced chamber manufacturers /suppliers who are having experience in repairing & maintenance of such chambers. The quotations should be submitted to Dr. Rajesh Kumar, Deputy Director General, National Institute of Solar Energy, Faridabad-Gurgaon Road, Gwal Pahari, Gurgaon 122003, Haryana, India, latest by 16th May, 2016. The interested bidders may visit NISE Campus at Gurgaon on any working day between 10 am to 4 pm to inspect the Environmental Test Chambers for requisite repairs before submitting their bids for repairs and annual maintenance.

The important dates and information are given below in the table:
