Gurugram-Faridabad Road Gwal Pahari

Gurugram -122003; Haryana

NISE is autonomous institute of Ministry of New and Renewable Energy (MNRE). The activities involved at NISE are Research, Design, Development; Performance Evaluation and Reliability Assessment of solar systems, its Components and Balance of Systems as per National and international standards. The focus of the institute is the resource assessment, testing, calibration & certification of interactive R&D, design development and demonstration of solar systems, standardization, technology up-gradation, training & skill development, consultancy, incubation of young entrepreneurs and other related works. On behalf of the Office of Director General, the National Institute of Solar Energy (NISE), Gurugram invites open E-tender from specialized agency for the list of items mentioned in this document.

Notice Inviting Tender (NIT) NIT No: - Adm 2-CW0PW/1/2020-F/A-06/26	
Name of Work	Erection of Solar Parking Structure at National Institute of Solar Energy.
Estimated cost	₹8,25,000/- (Including GST)
Executive agency	“National Institute of Solar Energy” Gurugram
Eligibility criteria	Bids are invited only from the following: i) Proprietorship firms, Partnership firms, LLPs, or companies (private/public) having experience in similar nature of works such as fabrication, structural steel works, parking shed/carport installation, or similar civil/structural works executed, may participate in the tender. ii) Bidder must have successfully completed at least one (01) similar nature work costing not less than 80% of the estimated value of the NIT, completed during the last 03 years. iii) Any MSME entity or Startup seeking exemption for work experience must submit a valid MSME UAM Certificate or Startup India Certificate, as per the extant Government guidelines.
Scope of Work	Scope of work include Civil work for erection of Solar parking structure at National Institute of Solar Energy. The details of schedule items to be executed are listed in BOQ mentioned in appendix “F, Tender document can be viewed on NISE website and available for download. The bid should be submitted online through e-wizard.
Last date for submission of bids	15/07/2026 at 17:00 Hrs
Date of opening of bids	16/07/2025 at 11:00Hrs

Appendix- “B”: Important Terms & Conditions

National Institute of Solar Energy

(An Autonomous Institute of Ministry of New & Renewable Energy)

Gurugram-Faridabad Road Gwal Pahari

Gurugram -122003; Haryana

On behalf of the Office of Director General, the National Institute of Solar Energy (NISE), Gurugram invites online Bids from firms with valid documents for the scope of work:

“Erection of Solar parking structure at the National Institute of Solar Energy”

(As per the sections of the specification mentioned in the tender document)

Notice Inviting Bid (NIT) No.	Adm 2-CW0PW/1/2020-F/A-06/26
Name of Work	Erection of Solar parking structure at National Institute of Solar Energy.
Estimated cost	₹8,25,000/- (Including GST)
Eligibility criteria	<p>Bids are invited only from the following:</p> <p>j) Proprietorship firms, Partnership firms, LLPs, or companies (private/public) having experience in similar nature of works such as fabrication, structural steel works, parking shed/carport installation, or similar civil/structural works executed, may participate in the tender.</p> <p>ii) Bidder must have successfully completed at least one (01) similar nature work costing not less than 80% of the estimated value of the NIT, completed during the last 03 years.</p> <p>iii) Any MSME entity or Startup seeking exemption for work experience must submit a valid MSME UAM Certificate or Startup India Certificate, as per the extant Government guidelines.</p>
Submission of Bids	<ol style="list-style-type: none">1- The scope of work to be tendered are available in the complete tender document, which can be viewed /downloaded from the e-tender portal of http://nise.ewizard.in.2- The bid shall be submitted along with all necessary document w.r.t eligibility criteria. Bidders are advised to upload their bids well in advance to avoid any last-minute technical issues/snags.3- All Corrigendum/Amendment/Corrections, if any, will be published on the website http://nise.ewizard.in4- All the applicants must have a valid Digital Signature Certificate signing and encryption (in the name of the person who will sign the bid document).5- It is mandatory for applicants to register their firm/joint venture on the e-tendering portal http://nise.ewizard.in to have User ID and Password from M/s ITI Ltd.6- Bidders/Vendors/Suppliers/Contractors must get themselves registered on the portal for participating in the e-tenders published by the department. Detailed registration help manual is available in bidder help manual kit.7- All required documents as per tender clause must be uploaded on E-wizard wherever indicated during the submission of bid.8- The bidder shall possess valid PAN, GST Registration, EPF Registration and ESIC Registration, wherever applicable, and copies of the same shall be submitted along with the bid

Gwal Pahari, Gurugram - 122 003,
Haryana, India

Appendix – “C”: Instructions to Bidders

- (i) Only those bidders who fulfill the eligibility criteria mentioned in **Appendix B** shall apply for the said NIT.
- (ii) Bidders should submit their price bid as per the format provided at **Appendix-F**.
- (iii) Bidders who do not meet the criteria given above or make an untrue or false presentation, statements and attachments submitted in proof of the qualification requirements or have a record of poor performance, do not properly complete the contract, cause inordinate delays in completion or financial failure are subject to disqualification.
- (iv) All Bidders will undergo a strict scrutiny process for evaluation. Submission of the bid alone does not guarantee the award of Work Order to the Bidder.
- (v) The work is to be completed within the period as indicated in aforesaid **Appendix ‘B’** in accordance with the phasing, if any, indicated in the tender from the date of handing over of site.
- (vi) The NISE will return the earnest money applicable to all unsuccessful tenderers as per the bank details submitted in bid document.
- (vii) Bidder shall comply with the provisions of various Acts and Statutory requirements such as Contract Labor Act, Minimum Wages Act, Child Labor (Protection) Act, Factory Act, Shops & Establishment Act etc. and any other enactment made in this regard from time to time.
- (viii) Bidder shall quote rates on the format of BOQ published in this tender.
- (ix) Bidders must submit the EMD as specified in the NIT (Notice Inviting Tender). Scanned copies of the EMD are usually uploaded, and the original document must be submitted as instructed.
- (x) **Rejection Clause:** Failure to submit all required information or failing to meet technical specifications can lead to a "substantially unresponsive" bid. Conditional bids shall be summarily rejected.
- (xi) Bidders must account for any clarifications or changes (corrigendum) published before the submission deadline.
- (xii) The offer of the contractor should also include the cost of transportation of materials from their show room/ Go-down to afore mentioned place and placement at the location indicated by Engineer in-charge.
- (xiii) The firm/contractor will be entirely responsible for quality of items installed at any place and quality workmanship is required. The contractor should replace the rejected /damaged materials without involving any type of extra cost & repair the same and remove all sorts of debris materials from all the places and clean the floor walls etc. Contractor cannot deny any sort or kind of work i.e. repairs in lat./bath changing w/c, urinal pots etc.
- (xiv) The work done should as per the specifications as approved by the Engineer-in-charge no defects should appear and the repair work should be done with quality workmanship to appear as good as in shape.
- (xv) The performance guarantee deposit will be forfeited in case of violation of the terms and condition of the contract.
- (xvi) Disputes, if any, shall be resolved in accordance with Arbitration and Conciliation Act, 1996 as amended from time to time.
- (xvii) NISE reserve right to terminate contract for poor performance, delay, abandonment, false information, insolvency, breach of contract.
- (xviii) NISE reserves the right to accept or reject any or all bids without assigning any reason.

- (xix) Competent Authority reserves the right to annul all bids or discontinue tender process, without assigning any reason at any time prior to the award of contract with the successful bidder.
- (xx) In case any information/document furnished by the bidder is found to be false, fabricated or misleading at any stage, the bid shall be rejected and EMD/Performance Security may be forfeited. Further, the bidder may be debarred from participating in future tenders of NISE. The bidder shall observe the highest standard of ethics during the procurement and execution of the contract. Any act of fraudulent practice, collusive bidding, coercive practice or conflict of interest shall render the bidder liable for rejection/termination of contract and other action as deemed fit by NISE.

Appendix 'D': Specification of Work

The specification of work for "Erection of Solar parking structure at National Institute of Solar Energy".

1. Specification of the work for the above NIT will be strictly governed by the BOQ items as well as the quantity for respective items listed in **Appendix-F**.
2. The carport structure shall be designed to withstand a wind speed of 170 km/hr.
3. All nuts & bolts used for module mounting shall be of SS-304 grade. All remaining structural fastening/assembly hardware shall be Hot Dip Galvanized (HDG) GI Grade 5.6.
4. The Contractor shall manufacture and install the factory-made pillars and frame structure in accordance with the exact dimensions, materials and design specifications given in Appendix G of the tender document.
5. All material to be provided by the contractor shall be in conformity with the specifications laid down in the contract and the contractor shall, if requested by the Committee, furnish proof to the satisfaction of Committee through the samples of the materials to be used for the execution of work.
6. The Committee shall have full powers to require removal of any or all of the materials brought to site by the Contractor which are not in accordance with the contract specifications or do not conform in character or quality to samples approved by him. In case of default on the part of the contractor in removing rejected materials, the Committee shall be at liberty to have them removed by other means. All costs, which may attend upon such removal and /or substitution, shall be borne by the Contractor.
7. Excavation shall be carried out in any type of soil/rock/concrete met at the site for items and to the lines, levels and contours as directed by the Engineer.
8. Suitable type of shoring and strutting, wherever necessary, shall be provided to avoid any collapse of earth or cutting in slope as per site requirement and as directed by the Engineer.
9. If any bottom of excavation is left exposed and has become deleteriously affected by atmosphere or water, it shall be dewatered and excavated to sound base, and shall be filled up to the required level with lean concrete of grade M-15 at the cost of Contractor. Similarly, excess excavation than the required level also to be filled up with lean concrete at the cost of Contractor.
10. Backfill material shall be either that part of excavated material, which is specially approved by NISE Administration as suitable for backfill and stacked separately for this purpose or material brought from outside sources.
11. Back filling shall be done in layers of thickness not exceeding 20 cm. Optimum watering shall be done to obtain maximum compaction and density free from pockets. Compaction shall be done with mechanical equipment such as plate vibrators, rollers. In exceptional cases hand compaction may be resorted.
12. The Contractor shall strictly follow all safety regulations and provide necessary safety equipment such as helmets, safety belts, gloves, barricading, warning signage, etc. during execution of the work. Any accident occurring at site shall be the sole responsibility of the Contractor.

13. The offer of the contractor should also include the cost of transportation of materials from their show room/ Go-down to afore mentioned place and placement at the location indicated by Engineer in-charge.
14. All works are to be strictly executed in accordance with BOQ. Quantities indicated in BOQ are tentative and may vary depending upon site requirement. Payment shall be made on actual executed quantity. The quoted rates shall be inclusive of all taxes, duties, transportation, loading/unloading, labour charges, GST and all incidental expenses unless specifically mentioned otherwise.

Director-General
National Institute of Solar Energy
Gurugram-Faridabad Road,
Gawal Pahari, Gurugram-122003,
Haryana, India

Appendix -‘E’: General Terms and Conditions

1. **Site Survey:** Interested Bidder/Vendor are requested to inspect the site, NISE with prior appointment with site in-charge and get them acquainted with the nature of work and local conditions that may have a bearing on the rates/quotes.
2. **Taxes and Duties:** Manufacturer/Supplier shall be entirely responsible for all taxes, GST, license fees, Custom duty (NISE shall provide only Customs duty exemption and concessional GST exemption certificate), all other duties, demurrage charges (if any), road permits, etc., incurred until delivery of the contracted goods at the Purchaser’s premises i.e., NISE, Gurugram. In this respect, the bidders must ascertain all their doubts, if any, from NISE before submission of their bid.
3. **Applicable Law:** The Contract shall be interpreted according to the laws of the Union of India and all disputes shall be subject to the place of jurisdiction in Gurugram, Haryana
4. **DEMOLITION/ DISMANTLING**
 - (i) The contractor shall carryout demolition/dismantling carefully without any damages to the existing structure/features. In the event of any loss or damage, the contractor shall at his own expense reinstate and make good to the full satisfaction of Committee
 - (ii) During demolition/dismantling all necessary precaution shall be taken by the contractor.
 - (iii) The demolition/dismantling materials shall remain Government property & the contractor shall remove & keep the materials in NISE as per BOQ.
5. **COARSE AGGREGATE:** Coarse aggregate shall conform to IS and locally available in area.
6. **FINE SAND:** Fine aggregate for all concrete work shall be “BADARPUR” sand and/ or “GHAGGAR” river sand (from near Locally area) conforming to samples.
7. **Note:** Wherever “Badarpur” sand has been specified in the tender documents, the contractor shall be permitted to use “Gagger” sand (from near Locally area) at his own cost, if he so desires due to inadequate supply/non availability of “Badarpur” sand. No price adjustment shall be made on this account. Sample of “Gagger” sand shall however, be got approved from the DG NISE before incorporation in the work. Other provisions in the respective clauses shall remain unchanged.
8. All above quantities are tentative, may increase or decrease as per site requirements and will be paid as per actual supplied/ installed. Items to be received in installments as per site requirements. All Cables to be Fire Resistant & all Cable/Wires should be numbered with marker ferules at both ends.
9. **WATER:** Water for the use of construction work will not be provided by NISE and the contractor will have to make his own arrangements for supply of water as well as any other special resources required in the execution of the said.
10. **Electricity:** Electricity will be provided by NISE. All necessary arrangements including cables and other required materials and safety should be ensured by the firm.
11. **LOCATION OF WORKS:** - National Institute of Solar Energy, Gurugram
12. **WATCH/LIGHTING:** - The contractor shall at his own cost take all possible precautions to ensure safety of life and property by providing necessary fencing, barriers, light, watchmen etc. during the progress of work and as directed by the Committee.
13. **HANDING OVER OF SITE:** Site for execution of work will be made available as soon as the work is awarded. In case it is not possible to make the entire site available on the award of work, the contractor will have to arrange his working programmer accordingly. No claim whatsoever, for not giving entire site on award of work and for giving site gradually, will be tenable.
14. **WORK ON HOLIDAY:** - The contractor shall not carry out work on gazetted holiday & weekly

holidays, National Holiday and other non-working days except when he is specially authorized in writing to do so by the DG. The DG NISE may at his sole discretion declare any day as holiday or non-working day without assigning any reason for such declaration.

15. Measurement & Testing: Work must not be covered before inspection by the Engineer-in-Charge, requiring at least seven days' notice for inspection.
16. Quality & Materials: All materials (cement, aggregates, water) must conform to IS codes. Design Mix Concrete is paid at a uniform rate regardless of grade, with the grade used specified in the bill of quantities (BOQ).
17. All welding and fabrication work shall be carried out by skilled personnel using approved methods and shall ensure proper alignment, finishing, and structural integrity.
18. The Contractor shall submit detailed fabrication/shop drawings, structural details, and connection layouts for approval by NISE/Engineer-in-Charge before commencement of fabrication and installation work.
19. All structural members including pillars, frames, trusses, and other fabricated components of the parking shade structure shall be factory-manufactured/fabricated under controlled conditions. No major structural fabrication work shall be permitted at site except assembly, erection, welding, bolting, or minor adjustment works as approved by the Engineer-in-Charge.
20. Rates and Payments: The Rates includes costs for labour, materials, tools, plant, machinery, and transportation. GST and Contractor's Profit & Overheads.
21. Neither party shall be liable for failure or delay in performing obligations under the contract due to events beyond reasonable control including acts of God, natural calamities, war, strikes, pandemic, government restrictions or any other force majeure conditions.
22. In case of failure of the contractor to execute the work within stipulated time or abandonment of work, NISE reserves the right to get the remaining work executed at the risk and cost of the contractor without prejudice to other contractual remedies available.
23. The contractor shall be fully responsible for structural stability, safety and soundness of the parking shade structure.
24. The contractor shall be solely responsible for safety of workers, equipment and surrounding property during execution of work and shall maintain adequate insurance coverage for manpower deployed at site.
25. The contractor shall remove all debris/waste material generated during execution of work and keep the site neat and clean at all times without any additional cost to NISE.
26. All disputes arising out of this tender/contract shall be subject to jurisdiction of competent courts located at Gurugram, Haryana only

Appendix – “F”: Price Bid Format
(On Company’s Letter head)

Date: / /2026

PRICE BID/ SCHUDLE OF RATE/ BOO

Bidders are requested to provide rates for below scheduled items after site inspection: -

Erection of Solar parking structure at National Institute of Solar Energy.			
Sl .No.	Description of Items	Unit	Qty
1	Earth work in excavation by mechanical means (Hydraulic excavator)/ manual means over areas (exceeding 30 cm in depth, 1.5 m in width as well as 10 sqm on plan) including getting out and disposal of excavated earth lead upto 50 m and lift upto 1.5 m, as directed by Engineer-in-charge.		
	All kinds of soil	cum	11
2	1:4:8 (1 Cement : 4 coarse sand (zone-III) derived from natural sources : 8 graded stone aggregate 40 mm nominal size derived from natural sources)	cum	2
3	Providing and laying in position ready mixed or site batched design mix cement concrete for reinforced cement concrete work; using coarse aggregate and fine aggregate derived from natural sources, Portland Pozzolana / Ordinary Portland /Portland Slag cement, admixtures in recommended proportions as per IS: 9103 to accelerate / retard setting of concrete, to improve durability and workability without impairing strength; including pumping of concrete to site of laying, curing, carriage for all leads; but excluding the cost of centering, shuttering, finishing and reinforcement as per direction of the engineer-in-charge; for the following grades of concrete. Note: Extra cement up to 10% of the minimum specified cement content in design mix shall be payable separately. In case the cement content in design mix is more than 1.10 times of the specified minimum cement content, the contractor shall have discretion to either re-design the mix or bear the cost of extra cement.		
	All works upto plinth level		
	Concrete of M25 grade with minimum cement content of 330 kg /cum	cum	7
4	Steel reinforcement for R.C.C. work including straightening, cutting, bending, placing in position and binding all complete upto plinth level.		
	Thermo-Mechanically Treated bars of grade Fe-500D or more.	Kg	500
5	Centering and shuttering including strutting, propping etc. and removal of form for		
	Foundations, footings, bases of columns, etc. for mass concrete	sqm	15
6	Providing and fixing mild steel round holding down bolts with nuts and washer plates complete (M24, 600 mm long) including embedding in RCC foundation.	kg	50
7	Steel work in built up tubular (round, square or rectangular hollow tubes etc.) trusses etc., including cutting, hoisting, fixing in position and applying a priming coat of approved steel primer, including welding and bolted with special shaped washers etc. complete.		
	Electric resistance or induction butt welded tubes	kg	3050

8	<p>Providing & fixing UV stabilised fiberglass reinforced plastic sheet roofing up to any pitch, including fixing with polymer coated 'J' or 'L' hooks, bolts & nuts 8mm dia. G.I plain/bitumen washers complete but excluding the cost of purlins, rafters, trusses etc. The sheets shall be manufactured out of 2400 TEX panel rovigs incorporating minimum 0.3% ultra-violet stabiliser in resin system under approximately 2400 psi and hot cured. They shall be of uniform pigmentation and thickness without air pockets and shall conform to IS 10192 and IS 12866. The sheets shall be opaque or translucent, clear or pigmented, textured or smooth as specified.</p>		
	2 mm thick flat	sqm	25
9	<p>Installation of Solar PV panel modules provided by NISE (approx. dimensions: Length 1.5 m to 2.8 m, Width 1 m to 2) on an existing structural frame at a height of up to 5 meters. The complete job includes necessary fabrication, welding, bolting, drilling holes, and securing the panels onto the framework. All works must strictly comply with approved drawings, structural load specifications, and the precise directions of the Engineer-in-Charge</p>	sqm	120

Annexure-“G” DECLARATION BY THE CONTRACTOR

I/We _____ contractor hereby undertake following declaration as part of our participation in tender floated by **NISE Gurugram** with **NIT No. Adm 2-CW0PW/1/2020-F/A-06/26**, that:

Any labour/mechanic engaged on the plant will be paid on Minimum wages a notified by state/district authority as per entitled category.

I/We declare that our firm/company falls/do not falls under MSME category of MSE procurement policy issued by Ministry of MSME (tick appropriate).

I/We also undertake to abide by the various laws in force and extend necessary facilities and amenities to the staff and workers employed by me/us.

I/We hereby declare that I/We are myself/ ourselves thoroughly conversant with the local conditions regarding all materials and labour on which I/We have based my/our rates for this work. The specification/ conditions of this work have been carefully studied and understood by me/us before submitting this tender.

I/We hereby promise to get ourselves registered with the labour department as per provision of the laws before commencement of the work.

I/We hereby declare that I/We have never been blacklisted/debarred from taking work by NISE.

I/We have read the tender document and understood all the provisions and specifications in totality. All terms and conditions stipulated in tender document are acceptable to us. We do not have any term and condition of our own.

Signature of the contract

(Seal & Date)
